In union there is strength... Thousands of years ago human families roamed the wilderness alone... Later families became tribes, then tribes formed nations...

You can ride from New York to San Francisco without changing cars, cheaply, comfortably and rapidly... You can telephone from coast to coast, from Canada to Mexico, and even to Europe...

Just a few years ago only cities and large towns in Kentucky had electric light and power service... The Kentucky Utilities Company has changed those conditions...

Today this company supplies at moderate rates dependable electric service to 185 communities, 2,100 rural customers... This Electric Service Helps Industry, Creates Prosperity, Fosters Progress.
