

From this to half an hour... at a cost of 70 cents

Most laquer dries in 30 minutes—how does what I have done? For Devoe is so easy to put on you just won't want to stop painting! It gives you a smoother, lovelier surface than has ever been before—a finish as wear-resisting as varnish itself.

What's more, it comes in 22 of the most beautiful colors ever used in laquer. Come in and get a free color card.

"Cheap" paint is mostly bally-hoo!

You can't paint a house with 'epic-sauce'!

Bank-says—but also—"epic-sauce"—that what makes up "cheap" paint. The "epic-sauce" is a fine. Don't let it go to your front door in repainting bills "cheap" paint costs you from two to five times as much as a paint like Sherwin-Williams.
