THE SEASON'S FINISHED
The Memory Lingers On
We turn from Football to Basket Ball. The "old order changes give place to new," but the memory of that Carlisle High School Team of 1928 will live for many years.

To those who staired and to those whose fine work was hidden from all except the expert football observer—to scrub who took to play in big games and to those who didn't work off our sincere congratulations. Carlisle, as well as your schoolmates, appreciates your efforts.

Next week, we will get back to our routine of bringing you a message of Christmas from the Man's Store—the store at which you can buy a gift for man or boy knowing that it will be appreciated.

White Rose Week
and we hope you are finding our flour all that we have recommended it to be. We take the position that we are on trial, and that the ladies of Carlisle and Nicholas county are the jury. We want you to judge White Rose from the most critical standpoint, taking into consideration especially the three most important requirements—lightness, whiteness and flavor. We have no fear of the verdict based on these grounds, but whatever the outcome, we will know that we have had a fair trial.

We'll gladly RESERVE any gift in the store
"One of the beauties of gift-shopping in this store is that we like you to come and make your choice early... leaving them here until you've made them delivered. We are always delighted to reserve any article from the present of ELLEN Watches to the last of hair-pins, for one of our packages."
And, of course, it amplifies your purchasing... a tiny drop of gold... the balance of your convenience being given and the holidays... a hurry to make... a hurry in payment. What a pleasure it was to have you here."
