

Look behind the portrait of Uncle James

How do you do it in the walls just back of your picture?

One thing's sure—it can't "stick" very long in Devoe Yellow Finish! A wash of your wall cloth and it's as clean and bright as the day it was painted.

Its velvety surface is as easy to clean as the smooth enamel that's Devoe Yellow Finish! Ideal for every room in your house. Costs less than \$5.00 to paint the 4 walls of an average room.
