"NOTHING IN THE PAPER"

There may be "nothing in the paper" for the newspaper editor, but there is something in the paper for the reader.

MY "NEIGHBOR JIM"

Everything about my neighbor Jim, who lives in Carlisle, Ky., is interesting. He is a very good man.

The Girl Who Came Back by Jack Woodford

She had made a step for her, she had made a step for her, she had made a step for her. She had made a step for her.

She had made a step for her, she had made a step for her, she had made a step for her. She had made a step for her.

She had made a step for her, she had made a step for her, she had made a step for her. She had made a step for her.

She had made a step for her, she had made a step for her, she had made a step for her. She had made a step for her.

She had made a step for her, she had made a step for her, she had made a step for her. She had made a step for her.

She had made a step for her, she had made a step for her, she had made a step for her. She had made a step for her.

She had made a step for her, she had made a step for her, she had made a step for her. She had made a step for her.

She had made a step for her, she had made a step for her, she had made a step for her. She had made a step for her.

FOR PRESIDENT

Gov. Alfred E. Smith is a strong candidate for the presidency. He has a record of achievement in his own state.

Frank W. Murray, chairman of the committee, has announced the details of the contest.

Why do we picture this dollar so large?

The dollar is a symbol of our country's strength and progress. It is a symbol of our ability to overcome adversity.

WE picture this dollar so large because it represents a dollar's worth of electric service.

The company's power plants and transmission lines are efficiently operated, and an new economy are put into effect in the last twelve years—a dollar buys you more electricity today than ever before.
