GO SLOW! "Cheap" paint isn't cheap at all

The low price is APPLESAUCE!

Expense piles up behind "cheap" paint on your house. It takes more gallons—soon needs repainting. Cheap? Not at all!

Get fine old SWP for your house, and put the job in the hands of a reliable painter. You will find that is your relea economy.

Ask us for estimates on any Sherwin-Williams Paints, Varnishes, Lacquers, or Enamels for your next job. The "quality" products help do far more beautiful and serviceable finishing. You will be surprised at the low cost!

USE NATIONAL FERTILIZER CO. BIG PAY TOBACCO FERTILIZER 3-8-6

Potash from Sulphate To those desiring more nitrogen and less potash we can furnish 6-8-3. Potash from Sulphate. Both of these are proven fertilizers. Come in and talk over your fertilizing problems. Don't run the risk of ruining your next tobacco crop by trying to save a few cents on a bag of "just as good" fertilizer. You may save a little in the beginning but you may lose many dollars on a poor yield of in-ferior leaf in the end. National's Big Pay makes good everywhere.
