FEED FOR Lambs, Pigs, Chickens

Proper feeding while young is the surest, quickest and most profitable way to market.

FEED THE LAMBS

Early, fat spring lambs always bring a premium and a good grain ration as a supplement to grass will insure early maturity.

FROM NEST TO NEST

Baby Chicks require special attention and must be properly fed. The only feed that should be the minimum loss from death, Thrushes, Starling and Growing Mash will keep them healthy, cause quick growth and early maturity.
