

THE PREVENTION OF FEVERS COMPLAINT

Dr. Geo. J. W. Hager... One of the most characteristic and dangerous forms of illness among man is summer complaint...

Some people do not know much about the disease known as summer complaint... It is not important that the baby feed...

A baby should be kept clean in body by getting at least once a week a good soapbath... If the mother is constantly annoyed or harassed after nursing...

Write to the Bureau of Maternal and Child Health, State Board of Health, Louisville, for Printing and Cure of Children.
