**Fact, Sincerity And Truth--  
These Will Guide You**

Truly, folks, this sale should have been called THE MIRACLE SALE, for surely these are miracle prices. You have heard florists use the term, "Say It With Flowers." Well, we are SAYING IT WITH PRICES. We assure you that in this Great Sale we will make no assertions or promises that would be unwise or impossible to fill. We shall in no wise misrepresent any part of this great demonstration of value-giving. Instead it shall be our sincere purpose to prove that honest merchandising and advertising is the best. And it is with the idea of future business relations that we wish to conduct this sale. And if you will be advised by us, RIGHT NOW is the time to buy, with Winter just around the corner. The recent floods in the cotton belt are going to make it imperative that Dry Goods prices advance at once. So be advised and come to this Great Sale, where values await you that shatter every selling record ever made. Remember, folks, only 8 days of value-giving and then this Great Sale will have passed into history. Come, and tell your friends.
