Doing a dozen things at the same time... Electricity is a Master Servant advertisement.

It is safe to say that no woman who has a vacuum cleaner, an electric range, an electric washer, an electric refrigerator, an electric iron, an electric sewing machine, an electric percolator, or an electric toaster, would willingly discard them...

To buy one of these household helps is to make an investment in permanent satisfaction. . . . A demonstration will be gladly given at any of our stores.

A Coal Train 6,000 Miles Long advertisement.

... about one-fourth the distance round the world. Had even to load on a ship. Yes, if all the 45,000 tons were 75,000 carloads of coal shipped over the L. & N. to the coal fields...

Practically all of this vast coal tonnage is produced in mines located on the L. & N. lines in Kentucky, Tennessee, Virginia, Alabama, and Illinois.
