A Coal Talk By Fisher Henry

I have leased the coal yard formerly conducted by Palmer McLean and took charge of I linted to handle the very being grides of silvent and the control of th

er to do so.

In addition to coal, I will handle some feeds, grains and fertilizers. Right now I have on hand some Red and Alsike Clover Mixed Hay and some Number One Timothy. Both good hays and priced right for quick sale.

To return to coal—I am going to handle the brands that have been carried by Palmer McLean, along with one or two additional coals. I will tell you more about these grades of coal through The Mercury and in person.

I wish to bespeak a continuance of the fine patronage that has been given Mr. McLean and to assure all old customers and any new patron who may come to me that it will always be my motto to give you what you want, sell you good coal at a fair and reasonable

Whether you buy or not, you will be wel-come at my yard. If I can help you with your coal problems in any way, I'll surely be glad to do it. If you want to talk over fertilizer prob-lems or seeding problems, I'll be mightly happy to give you the benefit of what ex-perience I have had in this line.
