A SCARE

I have waded in the night to listen to the groaning of the year.

To the faint sound of midnight.

And found it good to hear.

I have caught the fluttered silence

To hear like a soft rain.

And have wept out in the comfort

Of leaving this year fall.

—Hazel Hill, "The Cry of Time"

THE BIG WIN

Just what sort of blow was it that

carried Carlisle last Tuesday afternoon

and that swept us in the confidence

of leaving this year fall.

THE OPINION OF THE MAJORITY

Rules the World

Just so in the tire line. When we see a majority of the

people using a certain tire we conclude at once that it

is the best to be had. Look for yourself. See what tires

the new cars are wearing, and especially the high priced

cars, the big buses and trucks, and you will have to

conclude that the GOODYEAR is the best by its being

the most popular.

When you buy Goodyear you are not experimenting,

but accepting the judgment of the best business men.

More miles of long hard service to be had from

Goodyear than any other.

Remember we have a price to suit every man, and each

one means a value hard to beat.
