Nothing old or shopworn in this sale, no job-lots brought on especially for this event, but our regular line of goods, bought for the winter season of 1929. We want a quick turn-over; we want to clear our shelves for Spring and Summer goods that will come in soon and we are willing to share our profits with you in a merchandising event that is a real Public-Benefit Sale. Beginning on Friday, February 1, we will offer to the people of Nicholas county what we believe to be the greatest array of values that has ever been offered in this community. Nothing reserved. All goods marked in plain figures. First come, first served, so get here early and save money. There are many bargains here for you.
