Let the Humdinger do it for you

We have just installed a large size Jay Bee Hammer Mill, with 30 h.p. Electric motor attached, and are in position at any minute to grind anything from a load of hay or a shock of fodder to a sack of corn, wheat, rye or

This is a wonderful mill and we believe it will be a big asset to the community. Every farmer in the county is invited to come and see it operate. Bring a few sacks of ear corn for the cow and we will crush it for you this month free of charge.
