OBITUARY

Mrs. Elizabeth [illegible] widow of the late J. W. Terrell [illegible] Cummins, of Cane Ridge, J. T. Ockerman, of Taylors Thursday morning, March the seventh, 1929. She had been an invalid for some four years and gradually slipped away, having lived nine months beyond the allotted three score and ten. She was born Sept. 14th, 1846, the eldest of a family of ten born to Peter Ockerman and Susan Stuart, both well known pioneers of this county.

Of her brothers and sisters there are living, Lucinda Ockerman, of Cane Ridge, J. T. Ockerman, of Taylors Thursday morning, March the seventh, Carlisle, Mrs. Marguerite Ockerman, of Taylors Creek, Mrs. Nancy Chipley, of Denver, Mrs. Amanda Smith of Paris, Mrs. McLean and Mrs. Molly Payne, of Paris.

Five children also survive, Rev. W. D. Terrell, of Sullivan, and A. T. Terrell, of East Union, Mrs. J. A. Alexander, Mrs. T. J. Alexander and Mrs. Ben Owings of this community.

A source of great comfort to her children lies in the fact that all was done to make her comfortable and that she did not suffer pain but peacefully passed away from them as the sun gradually sinks into the western sky at evening.

Funeral and evening star and after that the dark.

And may there be no sadness of farewell, when I embark.

But such a tide as moving seems asleep, too full for sound or foam

When that which drew me from the bourne no more

Turns again home." 1t*

HONOR ROLL OF CARLISLE CITY SCHOOL

(Continued from page 1)

auditorium last Monday and the upper six grades had the pleasure of hearing the broadcast of the inauguration ceremonies. To use a radio expression, the program came in fine. We appreciate very much the privilege of this program.

The High School report cards were sent home to the parents on last Thursday for their inspection. We hope that the parents will carefully go over the records of the pupils work and then cooperate with us in making it better. Report cards are issued regular letters to the individual parents.

Elsewhere in this issue of The Mercury is found the Honor Roll of the school. Forty-two pupils, or approximately one out of ten, made the Honor or Roll for the past six weeks. The requirements are strict. Several more would have made it, but, on account of sickness, high water or cold weather were compelled to be either absent or tardy.

Tuesday afternoon of last week at 2:30, Mr. J. J. Veatch, Group Manager of the Kentucky Telephone Co., accompanied by Mr. Jewell, of the Telephone Department, visited our school and before the student body gave an illustrated lecture on the development of the Telephone. The demonstration, including the proper use of the instrument, the normal picture reels showing how a message is carried by electricity in transmitting a telephone message across the ocean, was thoroughly enjoyed by all.

The Inter-class Basket Ball Tournament will be held Monday. It is between both Junior boys and girls winning. These games were hard fought and will be interesting to watch.

Among the visitors of the past week was Mr. J. F. Wilson, State Supervisor of High Schools. This was his first visit to Carlisle. Our school is rated B. A., it being in a group having the highest standard of schools in Kentucky.

The Lyceum number rendered by the Lucille Elmore Revue Company March 1st was pronounced by many of our people as being the best number of its kind ever in Carlisle. A fair size audience was in attendance. The high class which this year is sponsoring this course deserves a liberal support, as it pays out, as far as the school is concerned, not a penny. Every effort will be made the fourth and concluding number of the year to be held Wednesday night, April 3rd at 8 p. m.

Rehearsals are now being held for the forthcoming play, "Deacon Dubbs," "After You I'm Next." This is a side-splitting farce in three acts. The cast is a class which this year is sponsoring this course. Has always delivered the goods and, as far as the school is concerned, not a penny. Every effort will be made. The
