# It's Going Fast!

Buyers are rushing to take advantage of our great Closing Out Sale. Entire stock of Hardware, Farm Implements, Stoves, Ranges going at Cost for Cash. Everything in the house, EXCEPT Cream Separators, goes.

> EXTRA SPECIAL - Huenfeld Boss Heaters, the circulating air type, that sold for \$50, at \$37.50. Others that sold at \$60 going for \$47.50. Don't miss this opportunity.

Having decided to quit the hardware business, I will sell my entire stock, beginning on the above date, at wholesale prices for cash. Everything goes, with the exception of cream separators, which I can't sell at wholesale prices.

### The Opportunity of a Lifetime

Opportunities like this come seldom to any community. My entire stock is new, high-class, standard merchandise and to be able to buy it at wholesale at this season of the year is like finding money. Don't delay. People will be quick to take advantage of this great selling event. Make your purchase while the stock is full.

### Will Sell As A Whole

At any time during this sale, will sell the business as a whole to any man who desires to purchase a money-making business, one of the best stands in town. My only reason for selling out is that I don't like the hardware business and have other interests that demand my attention.
