### His Pony or His Girl

By H. LOUIS RAYBOLD

Young men who wish to be successful in any line of their life should first obtain a horse in service from their own hands. The government survey of 1928 shows that only 10 per cent of the population of the United States own a horse. This is a sad state of affairs, especially in a country where the horse is so essential to the life of the people.

#### 7-Room House in Carlisle

To settle the estate of the late Alfred Murray

### SATURDAY, OCTOBER 12

At 10 o'clock a. m.

As agent for the heirs of Alfred Murray I will offer for sale at public auction on the premises the following real estate: 88 acres, one mile east of Carlisle on the Carlisle and Sharpburg road. This is a beautiful old Homestead, all in grass, with a comfortable home of seven or eight rooms and with an outside cellar and cistern and well at the door. Also spruce, rye, large orchard, good stock and poultry, and a good water. The farm is fenced in several fields, and would make a nice home as well as a good dairy farm, being on a state road and near to good schools and churches.

#### 7-Room House in Carlisle

Immediately after the sale of the farm I will sell the home of the late Mr. Murray in Carlisle on East Main street and Archdeacon Ave. The house has seven rooms and bath, 3 porches, cistern and city water. Also newly painted. This is a beautiful corner lot, in a fine neighborhood and in 2 blocks of city school.

This sale is being made to settle up the estate of the late. Anyone wishing to look over these properties may see Mr. Wagner on the farm or the undersigned, who will be glad to show you over.
