

Matsals' FOLKS AND THIS

It was ready to start, but the weather was so bad that the folks who were to go were not to be seen. The Matsals' folks, as they are known, were to have been at the party, but the rain was so bad that they were not to be seen. The Matsals' folks, as they are known, were to have been at the party, but the rain was so bad that they were not to be seen.

HINTS TO FARMERS

This department, under the leadership of the Kentucky Agricultural Experiment Station, is designed to help the farmer in every way possible. The hints given here are intended to be of use to the farmer in every way possible. The hints given here are intended to be of use to the farmer in every way possible.

"How Far Will You Drive Your Car?"

We ask that question to be able to recommend the most economical type of Goodyear for your particular requirements. TRADING THE CAR THIS SPRING? See us about repairs, used tires, or low-priced new Goodyears.

KEEPING THE CAR A WHILE! Doubles your tire needs with us—we'll show you the tire that will save you the most money. DRIVING THE CAR ANOTHER YEAR OR MORE? Let's figure it out together, whether regular or heavy duty All-Weathers, or Double Eagles, would be the proper tire.

And look on real interest here to help you get all the trouble-free miles you have bought. Come—in—talk it over—no obligation!

WE SAVE YOU TIME AND MONEY

Mr. Garner, representing the Good-year Factory, will be with us Thursday, Friday, and Saturday, April 17-18 and 19, to explain to you the advantages of Goodyear's Tire and Rubber Company. He will be with us and he will be with us and he will be with us.
