Furniture Gifts are gifts of lasting use and beauty

Always appreciated and enjoyed through the years, no well selected Christmas Gift may be given to a well selected set of furniture. It is a gift that beautifies and makes more livable the home, a gift that is enjoyed by every member of the family.

Our selection of suites and of individual pieces is new and complete and the prices you will find are lower than many dealers ask. A visit to our store will convince you that you may select a useful and beautiful gift of furniture for surprisingly little.

"If It Is Not True We Satisfy You."

Sam T. Howe & Co. Incorporated

The Virginia Avenue Tobacco Warehouse Company, Inc. Lexington, Ky.

was completing on Wednesday, as The Mercury went to press, the sale of a floor of

500,000 Pounds

of fair quality tobacco for the growers of Central Kentucky. The confidence of the grower in our ability to get for him the best price the market affords is reflected in the large floors at our sales throughout the season. We can therefore truthfully say to you

"Sell Where Your Neighbor Sells"

and be convinced of the fact that we personally supervise every sale and with our tobacco experience can assure a square deal and the best market price for everyone.
