"It Meets Our Own Local Conditions!"

This is one of the chief reasons. Its composition is such that it is especially adapted to the conditions of this particular part of the country.

It is made by Early & Thacker, the specialists in Lubricating Systems. Yet this quality food costs no more than ordinary feeds.

"Rabbit Fever" Shows

Triple Vaccine Over 1929 (Continued) The disease is a combination of three different organisms that very often are not detected by the ordinary tests. It is now ascertained that the organisms are not the same as those which were reported several years ago.

TWO PAIRS OF PANTS

(Kansas City Star) The two pairs of pants which were made by the same manufacturer and which were made of the same material, but which were made in two different factories, were found to be different in weight and length.

THE MARRIAGE STONE

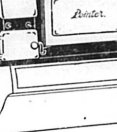

The real engagement stone is a diamond, says a writer. The marriage stone, however, is a piece of glass which is used to represent the diamond.

GOOD TIMES FOR THE EYE

By and by, says a writer, the eye will be as good as dead. It is now possible to cure the eye with the use of a new method of treatment.
