How Ford Methods Cut Cost of Distribution. Lower profits in selling save you at least \$50 to \$75 in addition to the many savings in manufacturing.

Twenty-seven years ago the Ford Motor Company was formed to provide reliable, economical transportation for all people. The original purpose has never changed...

Every purchaser of a motor car has the right to know how much of the money he pays for the car is lost in the pockets of the dealer...

In the case of the Ford, the low charges for distribution, selling, financing and accessories make a direct saving of at least \$50 to \$75 to every purchaser...

These are important points to remember in considering the purchase of a motor car. They show why it is possible to get much extra quality into the new Ford and still maintain the low price. They are also the reasons why more than 35% of all cars sold today are Model A Fords.
