INVESTING IN COMFORT

Don't you spend a great deal of money for some kinds of personal comforts and go without others of more importance?

The most satisfactory glasses you can get—if your vision is defective—will give you more comfort, in proportion to their cost, than anything else you can obtain. Moreover, it will not be a fleeting pleasure, but a lasting comfort—day after day—year after year.

WHO?

Was the First to Make Regular Delivery of Laundry to Your Home

Four and one-half years ago I took over the agency for the Lexington Laundry Co., and for the first time put on a regular schedule of collection and delivery in Carlisle. During this time every complaint for loss or damage has been adjusted to the entire satisfaction of each customer. This in itself is a record of which very few launderers or cleaners can boast. If you had your choice of a $500 car or a $3500 at the same price which would you choose? The most expensive, of course.

Then why not take advantage of the service rendered by a half-million dollar plant at the same cost as charged by those poorly equipped?

It has been my earnest desire to render the very best in laundry and dry cleaning and I appreciate the confidence shown in me by the good people of Carlisle, Kentucky.

PROGRAM

Saturday, Comes Basil Gill and Benita Hume in "HIGH TREASON," a talking picture full of thrills, action, romance and adventure. Also a talking comedy, "DETECTIVES WANTED." This is a show you will like. Come and see.

We only run on Saturday for a while, as there seems to be a financial depression all over the country, and as our expenses are big, we thought it best to close for a while, until times get better. We can't afford to run at a loss. We want to thank our regular visitors and we appreciate their willingness to help keep the house open and keep Carlisle on the map, so a few more times and we let go at that. Hoping to see you all out every Saturday.

LYRIC THEATRE

G. A. Duncan, proprietor of the Lyric Theatre, is installing a Vocalite screen in the theatre. This screen is said to be the best for both light and sound on the market.

A fairly large crowd was in town Monday for county court and but little business of importance was transacted. Farmers are more or less pessimistic over the crop outlook.

In county court last Thursday Otis Sugg, charged with breach of the peace in a warrant sworn out by his wife, was fined $5 and costs. Several other charges against Sugg were filed away.

Miss Ida M. Howard suffered a broken wrist on Sunday morning when she fell on the wet pavement in the back yard of her home. She is resting as comfortably as could be expected.

"Uncle Dick" Metcalfe, colored, for years cried for many years conducted a blacksmith shop on the Myers Station road, near Carlisle, died last Wednesday at his home in Henryville.

W. C. Hamilton, of Mt. Sterling, candidate for the Democratic nomination for Circuit Judge, addressed an audience of a fairly large audience in the circuit court room Saturday afternoon in the interest of his candidacy.

Within a period of a week both high and low temperature records for July were broken. Last week the thermometer registered as high as 98 degrees and on Tuesday it went down to the lowest since 1888 according to records in the weather bureau at Lexington.

Mrs. Bettie Ritchie, of the Hookstown section, is reported quite ill at her home suffering with blood poisoning, a disease contracted by humans from infected rabbits. Several weeks ago Mrs. Ritchie dressed a young rabbit and is thought to have contracted the disease in this manner. A number of people throughout this section suffered with the disease during last winter.

The Democratic county committee met at the court house Saturday afternoon for the purpose of selecting a list of five names from which the State Election Commission will select one name to be election commissioner from Nicholas county. Members of the county committee also submitted a list of five names from which to select officers to conduct the primary election.

Joe Clay, superintendent of the Carlisle water works, was in town one time, has greatly improved the water works system at Camp Shack Hawk. Although the water had previously been piped into camp, Mr. Clay installed the system and placed a modernized faucet in the kitchen. He donated the necessary pipes and the Crane Company, Lexington, donated more than 100 feet of pipe and fixtures.

"I don't think I will ever get enough to feed them," D. W. Rapp said in a letter to The Mercury yesterday concerning the fifteen boys from Louisville who are spending two weeks at Camp Shack Hawk. A great deal of food is required to feed fifteen lusty, healthy boys, and in view of the fact that it is necessary to buy practically all vegetables, donations of any kind of food are needed. Send any donation of food or vegetables to Mercuryville Grocery.

Paul Lawrence, 14-year-old son of Mr. and Mrs. Ezekiel Lawrence, of the Stony Creek section, accidentally shot himself in the right leg at his home Saturday afternoon when the trigger of the rifle which he was handling caught in the hem of his overalls, causing the gun to discharge. The boy was brought to the Johnson Memorial hospital here, where an X-ray picture disclosed that the bullet had lodged under the skin and that it would be removed in a few days.

Sheriff D. M. Curry was called to the home of Mrs. John W. Buchanan near Myers late Saturday night when Mrs. Buchanan heard someone in the garage near her home. When Mr. Curry arrived at the garage he found a Model T Ford touring car in the road with the engine running, but the occupant had fled. The machine bore a Mason county license tag of 1930. It is believed the occupant fled from the machine when they heard the sheriff's car. Mr. Curry brought the automobile to Carlisle and a warrant will be issued for the owner.

One of Carlisle's business men and his wife entertained sheets for our local hospital last week and fifteen were given and several more are promised. We have had sufficient sheets for all needs until the past month, when the hospital has had fourteen patients in our nine bed hospital and their thoughtfulness was very much appreciated. The following donated: Omar Berry, Joe Mashlee, James Patton, Mrs. W. H. Martin, Henry Polen, Mrs. Kate Hamm, C. B. Elston, Mrs. Mary Ann A. McIntire, H. L. Carter, Robert Mann, Mrs. J. B. Hon, Mrs. Taylor Mathers, Mrs. R. T. Kirkland, Mrs. Clarence Davis.

JESSIE, THE FLOWER O' DUNBLANE

The sun has gone down o'er the lofty Benlomond
And left the red clouds to preside o'er the scene,
While lassely I strav, in the calm simmer gloamin',
To muse on sweet Jessie, the Flower o' Dunblane.

How sweet is the brier, wi' its saft, fauldin' blossom,
And sweet is the birk wi' its mantle o' green;
Yet sweeter and fairer and dear to this bosom,
Is lovely young Jessie, the Flower o' Dunblane.

Sing on, thou sweet mavis, thy hymn to the e'ening!
Thou'rt dear to the echoes of Calderwood glen;
Sae dear to this bosom, sae artless and winning,
Is charming young Jessie, the Flower o' Dunblane.
