**Only 4 Issues till Xmas**

Only 4 Christmas Issues of The Mercury remain to be printed before Christmas. It's closer than you thought, isn't it? And the weeks will roll round in a jiffy.

**This Year You Will Have to SELL Goods**

Goods won't sell themselves as they do, in normal times. People will buy if you make what you have to sell look desirable to them. And there's one unsurpassed method of doing each week. It will pay dividends in increased Christmas Sales.

**Would you spend a dollar to make ten?**

Of course you would. Well, our actual experience right here in Carlisle, from the unsolicited testimony of a consistent advertiser in The Mercury who has checked his sales resulting from a weekly ad in this paper is that advertising pays for The Mercury before Christmas. Call us; we'll help you prepare your advertising. Our telephone number is 98. Call us.
