Wallpaper Designs Are Here

Here are the new wallpapers—the result of months of artistic effort on the part of the makers. You must see these wallpapers before you buy. Our prices are right.

Sam T. Howe & Company

Incorporated
Listen, Folks
You have, no doubt, heard some people remark that they could not warm their feet on mats of cabinet heaters.

Listen, Folks

It is because the fireproof is built too low in them, and not enough openings in the lower part of the casing, through which the heat can radiate outward and downward.
