HIS PIRST—AND LASS

A colored man got his inver tosether and took a flight in an airslane. As he climbed out of the high on its return to the field, he turned
to the piols and adals

"Blut, Ah has-to thank you for both
mildes."
The high control of the high control of the high control
the artister. "You only had one."
"No, sub, returned the passenger,
"Ah done had two—mah fuet an' mah
latt."

(Nora L. Brown)

I I you want a cigarette that is <u>milder</u> and of better taste. Smoke ésterfie Chesterfield offers richness, aroma, satisfying flavor.

BETTER TASTE—that's the answer; and DEITER TASTE—that's the answer; and that's what smokers get in Chesterfield in full-est measure—the flavor and aroma of mellow tobaccos, exactly blended and cross-blended. Better taste, and milder too!
