PROGRAM

Tonight, Thursday, comes Kenneth MacKenna in "MAN TROUBLE." Here is a picture full of action and romance. Come and see what is the trouble with the men. We thought all men were saints. Ha! Ha! Ha! Come and see.

Saturday—Comes George O'Brien in "LAST OF THE DUANES," a Zane Grey story of the Old Purple Sage West. Oh, boy, but this is some talking western. Also a comedy, "HIRED AND FIRED." Don't miss this show.

Monday—Comes Helen Morgan and Charles Ruggles in "ROADHOUSE NIGHTS," a picture depicting a newspaper story of fast company, don't miss this one.

Tuesday—Comes one of the best pictures we have seen in a long time with Charles Farrell and Maureen O'Sullivan in "THE PRINCESS AND THE PILOT." When you see this picture you will say it is a sure good one and that is what we are trying to give the public. There is one thing sure we have tried hard to get one once in awhile, but you know a lemon picture makes the good ones seem sweet and good so don't miss seeing "The Princess and the Pilot."
