CIVILIZATION AND ITS REQUIREMENTS

Our civilization is based on accumulated knowledge that comes through it, what can be done with its guidance, what can be enjoyed by its use.

Eventuality is used as the limit of its power in the preparatory work of life. —from the first years of school to the time when it is applied in some form of mechanical training.

Through the 19th century it has become evident that a large majority of eyes are handicapped by defects or errors to make correcting their defects essential to their continued use in the economic or recreational affairs of their possessors.

Future demands upon the eyes will be so great that, in order to keep up to the high standard of existence every individual, from childhood on, will probably have to have his eyes examined AT LEAST ONCE A YEAR.

Are You Satisfied?
Are you satisfied with the coal you are using? If not we will guarantee to please you with one of the following:
BLUE GEM
That wonderful non-coking, non-clinkering, high heat producing coal, especially adapted to cook stove or range, and which, because of its high quality and cleanliness, every lady who has used it specifies when they re-order.
LITTLE JOE
From the famous Darby Seam of Black Mountain. This is a big clean, blocky coal, quick to start but a long burner full of intense heat. It will perform equally well in grate, heater or range, and will produce less than a bushel of ash to the ton.
EVERGLOW
Our old reliable Harlan Block meets every demand for a general purpose coal. It is true to its name because it glows and glows, dispensing a room full of heat and cheer. It is low in ash, clinkerless and hot.
ELKHORN
We have tried many coals to find the most satisfactory for furnace use and must admit that, according to our own observation and its unqualified indorsement by our customers, Tepee Elkhorn is the ideal coal for this purpose.
POCAHONTAS
If you are a user of smokeless coal be sure that you get genuine Pocahontas, of which there is only one. It is soft but practically smokeless, very high in heat units, low in ash, sootless, and does not clinker. We are booking this genuine Pocahontas now.
We Must Please YOU
We realize our responsibility when we send you a load of coal and the ever increasing number of satisfied patrons is proof to us that we are rendering an appreciated service when we consider the results to be obtained by you and not just the matter of selling a load of coal.

PROGRAM

Tonight, Thursday, comes Irene Rich and H. B. Warner in "ON YOUR BACK." This is a story of a girl that had all her parents made to put it on her back for outward show. Come and see what the outcome is. Oh, my, my, don't miss it.

Saturday—Charles Delaney in "THE LONESOME TRAIL," a cracker Jack good western, full of action and thrills, just the kind you like. Also a good comedy.

Monday—Scenes one of the best pictures you have seen in a long time. Morah and Mlick, (The Two Black Crows of radio fame) in "ANYBODY'S WAR." This picture will make a bronze statue laugh. So come and have a good old time laugh. You will never regret coming.

Tuesday—Watch the screen for the title of picture. We had to make some changes and will give name of picture on screen. Look forward to it.

Wednesday—"THE SPIDER," with Lewis Stone, Jean Hersholt and Elissa Landi. A mystery thriller of the first water. Don't miss it.

Thursday—Ruth Roland in "THE LIGHTNING EXPRESS," a railroad thriller.

Brooks Morris has opened a barber shop in the room in the Carter building formerly occupied by the meat department of the A. & P. store.

The last of the rural schools of the county closed their terms Monday, some of them having closed last week. The four county high schools will remain in session another month.

Rehearsals were started Monday for the Senior class play, "The Smiling Cow," which will be given in the high school auditorium Tuesday night, May 12. The play is being directed by Mrs. Tillie Hamilton and there are twelve members of the cast.

The entire right-of-way for the proposed Paris-Georgetown-Cynthiana highway, from Myers Station to the Harrison county line, has been secured. Bids were opened for grading and drain of this section of the road several weeks ago but no work order has been signed.

Otho Gaffin, son of Mr. and Mrs. O. B. Gaffin, of Headquarters, has been re-elected principal for the fourth year of the Mars Hill consolidated school in Washington county. Mr. Gaffin is a graduate of the Carlisle high school and of the University of Kentucky.

Miss Lucille Henry, of Carlisle, was re-elected a member of the Cynthiana high school faculty by the board of education last week. Miss Henry has been a teacher in the Cynthiana high school for the past several years. Mrs. Carl Long, of this county, was re-elected as a grade teacher.

W. R. Thomas, of this county, was arrested near Paris last Friday by Bourbon county officers on a warrant issued by County Judge Paul D. Darnall, charging him with issuing a worthless check. He was turned over to Deputy Sheriff J. Clark Lee and was released on bond for his appearance.

Starting about noon Tuesday, rain fell in Carlisle and Nicholas county throughout the remainder of the afternoon and night. A heavy rain also fell Monday afternoon. According to Joe Mathias his rain gauge showed a total rainfall of 2.75 inches from Monday afternoon to Wednesday noon.

Homer D. Morris, charged with Bill Jarvey, was held to the grand jury at his examining trial before County Judge Paul D. Darnall Tuesday morning. Morris is charged with the theft of a hat at the Headquarters consolidated school on the night of its dedication. In default of bond he was lodged in jail.

Miss Elizabeth Cole will deliver an illustrated address, on "Some Observations of a Visit to Europe," at the services at the Colored Methodist Church Saturday night May 2. Miss Cole will present pictures of many of the scenes of that dark continent which she visited this summer. The public is cordially invited to attend.

The will of the late N. A. Hutson, formerly of this county, who died several months ago in Fayette county, was probated in county court Tuesday upon the oath of W. E. Darragh, one of the attesting witnesses. After providing for the payment of all debts and the expenses of burial, the testator bequeathed his entire estate to his widow. The will was dated March 4, 1907.

Postmaster George D. Scott has been authorized by the Postoffice Department to receive bids until April 29 for the setting of six concrete posts for the new fence at the letting of the fourteen letter boxes and posts and the erection of two combination letter and parcel post boxes, to be erected at the corner of Main and Hillsboro street and the corner of Main and Dorcy street. Full details of the work to be done may be secured by applying at the postoffice.

Lawrence J. Hayman, former resident of Carlisle and Nicholas county, and son of Gus L. Heyman, of Lexington, has been elected president of Chaffee, Mo., a manufacturing city a short distance from St. Louis. Mayor Heyman, who is a World War veteran, was formerly associated with his father in the dry goods business in Lexington. Following the disposal of the stock at auction a few years ago he went to Chaffee and became the executive head of a manufacturing company there. Mr. Heyman was born in Carlisle while his father was engaged in the dry goods business here.

AN APRIL ADORATION

Sing the sunrise on an amber morn—
Earth be glad! An April day is born.
Oh, my, my, don't miss it.
Winter's done, and April's in the skies,
Earth, look up with laughter in your eyes!

Putting off her dumb dismay of snow
Earth bade all her unseen children grow.

Then the sound of growing in the air
Rose to God a liturgy of prayer;

And the thronged succession of the days
Uttered up to God a psalm of praise.

Laughed the running sap in every tree
Laughed the running flurries of warm rain,

Laughed the life in every wandering root,
Laughed the tingling cells of bird and shoot.

God in all the concord of their mirth
Heard the adoration—sons of Earth.
