THE PLAIN TRUTH FACTS

THE PRICE WRECKER

Takes charge of "PATTON'S" at Carlisle, Kentucky--The "Price-Reluctant" are going to be more than "DRASTIC". The entire stock placed before the buying public--Positively every price drastically reduced--You'll be surprised!
My instructions are to close out down to the BARE WALLS regardless of all costs--all profits or losses--and the time limit demands quick action on your part. After 15 DEMANDS OR MORE in Carlisle this store quits forever "Now go to it" says the owner and go to it I will. I am going to make all Nicholas county talk. It's the next step to giving things away. Coming as it does at the beginning of Winter and just before holiday gift buying, you owe it to your family to economize--TO SAVE NOW.
COME! SAVE AS YOU NEVER SAVED BEFORE. A year ago these prices were impossible--TODAY THEY ARE SENSATIONAL--says the Salesmanager
