"It Meets Our Own Local Conditions"

"That's one of the chief reasons I'm recommending Tuxedo Eggsmash to you. It is scientifically manufactured with a complete knowledge of the feeding requirements of this particular part of the country."

"I know that Tuxedo Eggsmash has made amazing records for practically every customer of mine who tried it. It produces eggs which weigh an average of 1 1/2 ounces, in my word, for the next six months, and one for yourself!"

Tuxedo Eggsmash

By the sixth month small pieces of food containing more than 20% protein are fed to the birds. It is fed in the form of a mash, and is the only mash that can be made into a mash. It is fed in the form of a mash, and is the only mash that can be made into a mash.
