Did you know?
Automobiles faced a deadline a year ago. Gasoline could not "Stand the High Pressure" demanded by more efficient motors.

then . . .
ETHYL FLUID WAS DISCOVERED
Added to CROWN GASOLINE it makes a motor fuel that stands high pressures without "knocking."

No Credit

Owing to poor collections, and the fact that it is now impossible to borrow money to carry past due accounts on our books and pay our bills, we find it necessary to sell for CASH, beginning at once.

C. R. KING

This is no reflection upon your credit, but made necessary by conditions over which we have no control.
