LYRIC THEATRE

The Ashland Construction Company went some time ago into this town and is completing some work on the Carlisle and Sharpsburg road.

Orville Wade has leased the room in the Graeter building formerly occupied by Lee Mercer's barber shop and has opened a meat market.

A new steel ceiling is being installed in the room in the Bedford Bank occupied by the postoffice. Other improvements are being made in the room.

Nicholas county's fruit crop this season will be one of the best in years. Already apples and peaches are being marketed and are of fine quality.

Bruce West, of Carlisle, former clerk at the local L. & N. freight office, who has been at the L. & N. office at Paducah for several months, has been transferred to Maysville.

In addition to the food contributed to the fund with which to entertain the twenty Louisville boys at Camp Black Rock Carlisle citizens have contributed $72.50 in money.

Nicholas Post No. 17, American Legion, reports $24 as their portion of the receipts of Brownie's Comedians last week. The total amount was given to the Boy Scout fund.

The little daughter of Mr. and Mrs. Palmer Fowler, of the county, suffered a painful cut on her head Monday when she fell from a pony. Seven stitches were required to close the wound.

Mrs. Bertha L. Wentzell owner of the lot upon which the miniature golf course was operated last summer, and Phillip Martin have opened up the golf course for the remainder of the summer.

General rains fell throughout the county Saturday and Sunday, and were of great benefit to growing crops. Corn, tobacco, gardens and all vegetation is splendid condition in this county.

A meeting of the fair committee and democratic leaders was held in the office of County Agent R. J. Mason Friday afternoon and plans discussed for the fair to be held during the first week in October.

The Upper Jacktown pike has been oiled from the city limits of Carlisle to the top of the hill on the farm of John Combs, a distance of approximately one mile. The road was recently resurfaced.

Leonard Marshall was arrested Friday on a warrant charging him with obtaining a minor girl against whom he will. Marshall executed bond and was held to the September term of the circuit court.

The C. C. Cole Company will extend their sale, scheduled to close last night, throughout the remainder of this week. The store still has many bargains and prices on some articles have been further reduced.

A Chevrolet coach belonging to Bryan Stocking was stolen last Friday night and has not been located. The car was left parked on the side of the road while Mr. Stocking and family were attending the picture show.

In the Tri-Light League base ball game last Friday, the Cubs defeated the Reds 5-4, and Tuesday afternoon the Cubs lost to the Giants 6-4. Games are played at Jackson's park each Friday and Tuesday afternoon at 4 o'clock.

Recording to the office of Mrs. Bertha L. Wentzell, County Clerk, show that only 148 automobile licenses have been recorded from July 1, 1930, to July 1, 1931. During the period from July 1, 1929, to July 1, 1930, 320 chattel mortgages were required.

Frying chickens are scarce on the local market and dealers are paying from 20 to 25 cents per pound. Prices are off slightly from those of earlier this year, it is said. Because of the shortage of last fall many farmers are sold most of their chickens.

Blackberries apparently are more plentiful this season than for years and the market has been flooded this week. 75 cents per crate has been being asked for the berries, although some sold a smaller quantity for one small sold a 50 cents per bucket.

1344 automobile licenses have been issued at the County Clerk's office this year. This is only 42 short of the total number issued in 1930, Mrs. Bertha L. Wentzell, County Clerk, has received notice that the tags for Nicholas county for 1932 will be shipped out July 25. The tags for next year were made in the state reformatory at Frankfort.

CLOCK OF THE BIRDS

Like us, the birds are slaves of time and keep
Their punctual appointments with the sun,
Bob Wilde's reveille wakes the world at dawn. That robin's day is well begun
With early matins, and by eight he's flight
Between our garden and her nest in bush.
A groove in air—such is the appetite
Of wide-mouthed fledglings! The clear hunting-horn
Of brave Lord Baltimore resounds at nine
Where valiantly he barries wives and lands;
And look! above the honeysuckle vine
You'll see our flaming-bird, who does not fail
His morning tryst. The swallows shun he sleds
At noon, and at dusk the whippoorwill will whoo.
