It Handles Easier . . . Rakes Cleaner . . . Lasts Longer

THE NEW IMPROVED JOHN DEERE SELF-DUMP SULKY RAKER

The new John Deere Self-Dump Sulky is the rake you want for your farm. It is built extra strong to give long service. It handles easier. It rakes cleaner. More valuable than you could waste because of skips in raking when you have a John Deere-it rakes clean when working in light hay or heavy; when raking into windrows or bonding.
