This Year's Celebration A Notable One

One hundred and fifty years ago, on the 10th of August, what the late Theodore Roosevelt called "the battle of the Revolution" was fought by Kentucky frontiersmen in the great loop of the Kentucky river...

Can't the Counting Be Expedited?

The Mercury believes the Brook-Croft election law, as now law, is not a counting expedited. It is a counting expedited. It is a counting expedited.

A Stranger in These Parts

It is not to be denied that a provision through the operation of which a ballot is not counted unless it is accompanied by a receipt...

'Shoes And Ships And Sailing Wax And Cabbages And Kings'

Will Henry think the Brookings has a new set of shoes? Will Henry think the Brookings has a new set of shoes? Will Henry think the Brookings has a new set of shoes?

FEAR THE 18 YEARS OLD STILL BEARS FRUIT

The Brook-Croft election law, as now law, is not a counting expedited. It is a counting expedited. It is a counting expedited.

Kentucky Utilities Company
Electricity Rate is designed to give you immediately the benefit of lower costs of producing and delivering your service.
As the use of more hours of the day is spread over more hours of the day the cost of producing it becomes less. And, likewise, the average price per unit goes down—AUTOMATICALLY and INSTANTLY, under the terms of the rate schedule.
