**A Better Town**  
IT IS THE experience of this firm, which operates eighteen stores in Kentucky, in towns like Carlsle for the most part, that wherever a Tobacco Market exists, the town is a better town, business is better, not only for the few weeks during which tobacco is being sold, but throughout the year. There is more money in circulation, more going on and the people in town and county are more prosperous.  
We are glad to give whatever co-operation we may to the Carlsle Tobacco market and urge our friends and customers to patronize the local market, for their own sake and for the welfare of this community.
