TOBACCO GROWERS

For no other reason than what we believe to be for the benefit of the farmers and the buyers who will be on our market this year we have changed the date of our opening sale from Tuesday Dec. 6th to Wednesday Dec. 7th

Wednesday Dec. 7th

and our sales will begin promptly at 9 o'clock on that date. We want the farmers of this community to visit our markets on Monday and Tuesday, get acquainted with the quality of the tobacco offered and the prices paid for same. We want the buyers also to get this information so that when our sales do start the farmers and buyers both will have some definite knowledge as to the value of the tobacco which will be offered on our floor.

It is upon this basis of operation we solicit your tobacco, which we are now ready to receive and protect.

Respectfully, JACK DAY, Manager

Farmers' Tobacco Warehouse Co.

Incorporated

Removal of the Tobacco Growers of this community and at the same time every country will be shown to the buyers who will be on our floor.

With the fulfillment of this kind of cooperation we can establish in Carlisle, this year, a loose leaf tobacco market second to none in the state.

It is upon this basis of operation we solicit your tobacco, which we are now ready to receive and protect.
