THIS, THAT AND TOTHER

A PAGE FROM THE DIARY OF A COUNTRY EDITOR

Disappointed by reports

Up before me, and for a Sunday morning, I had

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been

to see the results of the election. I had been
