## You Can Now Buy White Rose Flour

The BEST flour on the market at a price which makes it the CHEAPEST flour on the

Not that we have cheapened the flour, but the fact that it takes so much less shortening the fact that it takes so much less shortening and other ingredients than the cheap grades of flour makes it the most economical—and economy has nothing to do with price.

When you have used a sack of White Rose flour the bread it has made has cost you less than that made from a sack of cheaper priced flour. Then think of the difference in the quality of your baking.
