### NEWS OF KENTUCKY

What measure of success any your city enjoyed though the manage-ment of its governmental affase to justify that management to under take the burdensume and hazarders industry—the utility?

In pearry all localities of the United State school taxes constitute a large proportion of total taxer pind. Municipally owned electric plants are exempt from taxes.

Agilators for musicipal ownership have the habit of citing very low taxes its town with musicipal plants are hard-supported to the control of the control of

independent incustiguous in serior.

For 29 towns with municipal plans which both generate and distribute service, the average rate was £1.27 miles and in towns beying destribly from agatance. The motives may be pare proper companies for distribution by the as the driven sors. Also, they may
