ACT,

"Make it Four, Father!" If you once have a taste of the New NuGrape, you always come If you once have a taste of the New Nuclearle, you aways come back for more. It's just that sort of a flavor—a mysterious some-thing, born of plump Concord grapes and sunshine. There is noth-ing anywhere near like it, with its bouquet of dew-ripened grapes, and its sparkling, dancing life—as of champagne. Next to impossible to keep the New NuGrape on ice at home—the fam-ily sneaks in for "just another bottle," even when a case is purchased at a time. But since Nature and Science brewell it and brought it to its de-lightful state of appetizing perfection—you can drink as much as you please as often as you please. There is no substitute for the New NuGrape. Accept none, for it would only meen disap-pointment. The genuine is sold everywhere for 5¢. CARLISLE BOTTLING WORKS
