The Life Of Our Hospital

Depends Upon The Generosity Of This Community

For three years the Johnson Hospital has served the people of this community as no other institution has ever done. Lives have been saved; suffering has been prevented; pain ameliorated through its existence in this county. Surely the people of Carlisle and Nicholas county will not permit the Hospital to die through lack of support.

Money is scarce; times are hard, but your contribution to this worthy cause is practical or applied Christianity. Under the terms of your subscription also, the amount of the pledge you have paid in will be returned to you, or to the person you designate in the event of hospital confinement. Nothing could be fairer; no cause is more worthy. Sign the pledge below; designate upon the card indicated the person you wish to have the benefit of the refund, in case of hospital confinement, and mail to this newspaper. We will see that it is turned over to the hospital committee.
