THREE BARGAIN DAYS

FRIDAY, SATURDAY AND COURTDAY, MAY 6th, 7th AND 9th

Carlisle merchants announce the second of a series of Bargain Days for May 6th, 7th and 9th. Make your cash save you money these three days of unsurpassed bargains in various lines of merchandise. "A dollar saved is a dollar made" runs the old saying and a dollar saved this year means nearly half as much again as it did two years ago. Read every item on this page; make a list of your needs and check it against what you know is normal value of the articles you have selected. You will find the result suprising. Then, remember this. The dollar you spend with home merchants stay in your county, to pay taxes, maintain schools, help to build roads and to make this a better community in which to live. These merchants are offering to help you to help yourself; in their efforts to stimulate trade they are offering many articles these three days below cost price. But it is only three days and you must be prompt if you would save in this great money-saving sale.
