SATURDAY IS Democracy's dollar day

SATURDAY, OCTOBER 22...
Everyone will have the opportunity to become a Shareholder in America, the nationwide movement in support of the campaign to elect Franklin Roosevelt and John N. Garner.

Each member of Shareholders in America contributes One Dollar and receives a Membership Certificate and an official Roosevelt - Garner Medallion.

Join The Shareholders in America Buy Your Medallion Saturday

HELP ELECT ROOSEVELT AND GARNER

BUY STRAIN EYE GLASSES

—how you can avoid it

Not enough light, too much light, glaring light, glare from reflection of light on bright objects, all cause eye-strain.

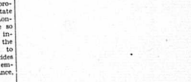

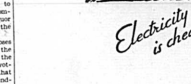

And eye-strain, medical specialists say, causes nervousness, fatigue, irritability, injury to the eye and defective vision.

Using too little light as a matter of economy is apt to be expensive in the long run if you contract the effects of eye-strain.

Glare and glare reflection can be easily removed by anyone and should be.

Your Local manager will be glad to advise you about the preparation of light required in your home under normal conditions—such as room size, shade of wall coverings and draperies, location of lamps or clusters, etc.
