**The Lady from Ohio**  
Makes a  
Discovery in Carlisle

An Ohio lady stopped at the mill a few days ago and said she wanted a hundred pounds of White Rose flour. She had been visiting in the White River valley and had never seen or tasted such wonderful biscuit and cake. She said that she had never seen a flour that she could not find any other flour in the market to compare with White Rose.

Fortunately this does not apply to the hundreds of loyal Carlisle and Nicholas county ladies who are using White Rose flour, not only because it is a home product, but because what the Ohio lady learned for her recent visit to Kentucky has been known to them all this time—that White Rose flour is the best of all.
