Advertise

If you have anything you want to sell, from a paper of pins to a road wagon, advertise it. You merchants were never as anxious to sell as now, and yet sometimes you hesitate to INSURE THE SALE by adding one-half of one per cent. to the cost price in the form of newspaper advertisement.

Advertising is not an expense; it's an investment --- one which has paid big dividends for thousands of

Ninety-five per cent. of the firms which failed last year did not advertise. Five per cent. only of

the failures were advertisers.

And when advertising place your message in the columns of THE CARLISLE MERCURY which has for years and years and years been going into the homes of Nicholas county.
