TANTOR'S STORE

### One Lazy Tube can ruin the whole set

Find out if your tubes are cheating on you. Bring them to us—we have a tube tester which tells instantly whether a tube is good or bad and we will gladly test them for you absolutely free of charge.

World's Series Begins Sept. 28. Be Ready.

## DANGER!

How much will it cost you to PUT OFF painting?

Remember—even the best paint finally WEARS OUT. Remember, too, that bare, unprotected wood or metal quiekly rots and rusts—that repairs cost MUCH MORE than paint. Another winter may do costly damage to your property. Paint up now—with SWP House Paint. At least, protect the badly weathered places to tide you over the winter.
