## Welcome To The Fair!

remember as "hard times," the people of town and county are to meet once more, display the product of field and kitchen, of garden and school-room in a County Agricultural Fair. It will be good for us. It will show us in the products of the Harvest how fortunate we are after all as compared with people in less favored sections of the world, where Famine stalks and Hunger takes its toll.

It will be good for us, because it is a common meeting ground for pleasant intercourse between town and country people, the two

We are glad that even during these times which folk will long mutually dependent upon each other in county and town welfare It has been good since days of old time for men to rejoice in the Harvest and to make merry when the fruit of the fields had been

So we, as merchants of Carlisle, welcome you to the Fair-your Fair and our Fair. Come and make it a success, which it cannot be without your presence. And if you need anything in our line, you will find that we have made some very special prices at our respective stores. In any event, make yourselves at home at our stores during the Fair.
