"THE OLD RELIABLE" REDUCES FARES TO

CHEVROLET

SMILE

IN COACHES

ANYTIME—ANYWHERE ON THE L. & N. R. R.

April 1st, the Louisville & Nashville Railroad inaugurates system-wide passenger fare reductions to a new basis of 2½ cents a mile,—in clean, roomy coaches providing every travel comfort, complete toilet and smoking facilities, and with available dining car service.

The fare for transportation in sleeping and parlor cars will be at the rate of 3½ per mile without surcharge.

For example, where the fare has been $5.00, under the new rare in coaches it becomes $2.78. In parlor and sleeping cars where the fare has been $10.00 the fare will be $8.34, with a further saving due to the elimination of the surcharge.

CHEAPER AND SAFER THAN MOTORING

These fares make traveling on Louisville & Nashville Railroad trains a most economical, safe and satisfactory means of transportation. Statistics show than even with the smallest automobile, costs per mile averages between 5¢ and 6¢ and with larger cars from 6¢ to 10¢.

Avoid roadside delays, tire troubles, detours, hurried meals and the fatigue which comes from the strain of driving.

Board an L. & N. train, relax in comfort—travel economically, with safety and speed—and arrive at your destination fit and ready for work or play.

L. & N. DINING CAR SERVICE WORLD-FAMOUS

You cannot eat a better meal, better cooked or better served in any hotel or restaurant than you can enjoy in large, clean, comfortable L. & N. diners,—and food prices are reasonable.

Whether you travel for business or pleasure save time, save money, save energy by using trains of the Louisville & Nashville Railroad.

Ask any passenger representative or ticket agent of this railroad for particulars and reservations.

These rates are established for an experimental period of six months from April 1st. Their continuance beyond that time will be dependent upon the extent to which they are availed of by the traveling public.

POLITICS WARM UP AS MORE ASPIRANTS TOSS HATS IN RING

Every Official In County Now Candidate For Reelection As More Announce

FOUR ARE UNOPPOSED

There has been more political activity during the past week than at any time since the campaign started, and at the present time every county official in the county is a candidate for reelection. Those who have been slow to announce tossed their hats into the ring this week. The two races which usually attract the largest number of entrants, Tax Commissioner and Jailer, have but one entrant. Tax Commissioner Martin and Jailer Owings, candidates to succeed themselves, being unopposed so far. Mrs. Bertha Westfall is still unopposed for reelection as County Clerk and Judge Darnall, Democratic nominee for Sheriff, is as yet unopposed for reelection.

Frank Lebus For Senator

In this issue Frank Lebus, of Cynthiana, formally announces as a candidate for the Democratic nomination for State Senator from the Thirtieth Senatorial district, composed of the counties of Nicholas, Harrison, Nicholas and Robertson. Under the rotation agreement, this Senatorial district's time is Nicholas' and Lebus is a well known Harrison county farmer and business man. He is a graduate of Georgetown College and Transylvania University and was a member of the legislature in 1930 and 1932 sessions, and was floor leader in the 1932 session. He was instrumental in securing enactment of legislation refunding automobile license fees collected at the 1930 session.

In making his announcement, Mr. Lebus issued the following statement:

"To the voters of the 30th Senatorial District of the State of Kentucky:

"I am a candidate for the nomination for State Senator from the 30th district composed of Nicholas, Harrison, Robertson and Harrison counties, subject to the primary to be held Saturday, August 5th, 1933.

"If elected I will support every economy consistent with either the cost of State government.

"I am opposed to any additional taxation for any purpose.

"I am in favor of and will do everything within my power to help consolidate or abolish wherever possible all commissions and boards of the State Government thereby saving the taxpayers of Kentucky from one to two million dollars every year.

"I am also in favor of relieving Real Estate of tax for State purposes possible.

"In the event the Constitutional Amendment fails to pass I will vote to relieve Homesteads of tax for State purposes up to ten thousand dollars.

"On all other matters affecting legislation I will study every bill to ascertain the will of the people in general and will vote accordingly.

Foster Cox For County Attorney

In this issue Foster Cox announces as a candidate for the Democratic nomination for re-election as County Attorney of Nicholas County.

A member of the Nicholas county bar for thirty years, Mr. Cox is serving his second term as County Attorney. In all probability no other County Attorney in the state has ever attended to more law in his office than Mr. Cox. As the official adviser of the Fiscal Court, Mr. Cox has saved the taxpayers hundreds of dollars by preventing illegal orders and "padded" claims, and every claim presented to the Fiscal Court has been carefully considered before Mr. Cox will recommend payment by the court. In securing rights-of-way for the various roads constructed during the term of office Mr. Cox, in his official capacity, has doubtless prevented the county from condemnation suits through arbitrations and compromises.

Because of the illness of Commonwealth's Attorney, T. E. Ross, for the last two years, most of the duties of the prosecutor in criminal trials have been borne on the shoulders of Mr. Cox and although the criminal docket have been larger than usual during the last few terms, he has handled all cases satisfactorily. Attorney A. H. Barker has been Assisting Commonwealth's Attorney, but his law prevents him from appearing in many of the duties.

Mr. Cox is a member State Central committeeman from this district and has been a delegate from this district to the national convention last summer. He is a staunch Democrat and has always been a party worker.

If nominated and elected, Mr. Cox no doubt continue to perform the duties of his office in the same efficient manner that he has in the

Sale Of Beer Here Almost Unnoticed

Only One Dealer And One Distributor Apply For License. No Brew Sale By Glass

The legal sale of beer in Carlisle after a recess of 27 years caused little excitement when the brew was placed on sale here Friday. Only one place in town, the Carlisle Drug Company, put the beer on sale, and offered it only in bottles not to be consumed in the place of business.

A meeting of the city council was held last Thursday night to receive applications for permits, and while it was the only license issued to retail beer, The Carlisle Bottling Works was granted a license to handle the beer.

It is understood that the Carlisle Drug Company received 90 cases of 24 bottles each Friday morning and this consignment was more than enough to supply the demand.

Many of the customers bought but one bottle or two though curiosity. Some who claimed they couldn't remember the taste of the brew outlawed 14 years ago purchased a bottle to refresh their memory as to the old-time beer.

A price of 25 cents for two bottles, or 12½ cents per one was charged for the beer.

It is not known whether more licenses will be issued. It is said that several places in town are considering the sale of beer. The sale of beer by the glass from the tap is not allowed by the ordinance here for some time.

There are a number of dealers throughout the county are selling the legalized brew.

Apoplexy Fatal To Dora Jones

Well Known Farmer Succumbs While Feeding Stock In Barn At Home

Mr. Dora Jones, 56 years old, well known farmer residing on the Upper Jacksntown road near Carlisle, died suddenly while feeding the stock in the barn at his home about 5:30 o'clock Thursday afternoon.

Mr. Jones and his twin brother, Chas. Jones, had been working and returned to the house, leaving his brother there to feed some stock. When he failed to return to the house for breakfast a short time later, the family went to the barn and found the lifeless body of Dora slumped down on the floor of a stall. Dr. R. A. Campbell was called and pronounced death probably due to apoplexy. He had not complained of being ill.

Marguerite R. H. Hamilton, acting in the absence of Coroner H. B. Hamilton, conducted a jury which conducted an investigation and returned a verdict in accordance to that came to death from apoplexy.

Mr. Jones was the son of the late and Mrs. Arquilla Jones, and had spent all of his life in Nicholas county. Besides his twin brother, Chas, were ever married. He was a member of the Methodist church.

Mr. Jones was an honorable and upright citizen who was highly esteeming of friends who enjoyed his friendship and will be missed by all who knew him.

He is survived by his brother, Ora Jones, and Arquilla Jones, and a host of friends.

Funeral services were held at the home Saturday morning, conducted by Rev. Charles Blake, and were followed in the family lot in the Carlisle cemetery.

BROOKSVILLE MAN SUES

As the result of charges of blackmail which Dr. J. Clinton Black-burn, Cincinnati, made against him and a young woman, Ira T. Strouse, of Brooksville, Tuesday filed suit in Cincinnati demanding $25,000 damages from Dr. Blakie. Strouse claims that Dr. Stasta caused his arrest on the charge that last May he had accepted the decoration of a crime against the girl and demanded money from Dr. Blakie. Strouse further said that he was arrested and held prisoner for four days and that the grand jury ignored the charge against him.

LEAFLETS ON SPRAYING

The department of entomology and botany of the College of Agriculture, University of Kentucky, has issued a leaflet dealing with apple sprays for commercial orchards which gives directions for spraying the prebloom, full bloom, calyx, midway and curculio sprays for this fruit. Persons desiring a complete spray schedule should ask for leaflet 12, "Apple Sprays for the Home Orchard." The commercial orchard leaflet, which is No. 13, will be issued in three parts and mailed orchard owners.

Officials And Business Men Ask That Local Man Be Named Manager Of Telephone Company

A petition signed by all county officials, all city officials and practically every business firm in Carlisle has been sent to the offices of the Kentucky Utilities Company in Lexington requesting that Gano E. Duncan be appointed as manager of the local exchange of the Kentucky Utilities Company.

The petition was circulated and signatures obtained splendidly. Lack of space forbids us giving a complete mention of them as individuals sufficient to say they gave their best in their difficult part, and to mention a few, would perhaps not be doing justice to the rest of this excellent cast.

The play was different from the usual run of high school presentations. In nobility of theme, in impressive simplicity in breadth of social understanding, in personality of characters acted, in religious training, and in educative and inspirational value, the high school play excelled. It is to be regretted that more of our people did not see the play and the splendid presentation of the efforts of the young people in this, their last new "piece" of some and uplifting dramatic endeavor.

Allotment Of Seed Is Received Here

Nicholas County Relief Committee Now Distributing Seed To 350 Families In County

The Nicholas County Relief Committee has received a large allotment of garden supplies with the exception of tomato seed for distribution here. Following is a list of supplies received: 350 bushels of seed potatoes, 1500 packages of garden seed, 13,750 pounds of ready-mixed high grade fertilizer, 1,000 pounds of corn seed, 1,250 early cabbage plants, corrosive sublimate and sulphur compound to treat potatoes to prevent scab.

Many questions have come to the relief committee as to when it is to receive seed. Seed was ordered to supply those families who were known to have received direct, and at any time. However, there were some extra allotments sent. These were for families who were absolutely unable to secure garden seed in any manner. Such families should send their applications to the relief committee at once. All applications are presented to the committee and those whom the committee selects as needing seed worst are given it. All applications are received at the relief office in Lexington and are followed in the family list in the Carlisle committee.

The committee may make mistakes in giving out seed, but if there are complaints we are glad to listen to them here and correct them if possible. We are all liable to think our need and have any complaint, please come to us, remembering that we are trying to distribute seed wisely and impartially to those whose need is greatest for such was the intention of the Kentucky Relief Commission, of which we are a unit.

Big Sums Spent On Worthless Stocks

The American people have paid $25,000,000,000 for "unjustified or worthless" stocks since 1919, Walter L. Miller, chief of the economics division of the department of commerce, told the house interstate commerce committee as the committee considered a bill by President Roosevelt's "blue sky" bill to protect investors.

Mr. Miller said that the total of stock purchased by the American public between 1919 and 1923 aggregated $60,000,000,000, of which half was good. He listed $12,000,000,000 of foreign purchases, of which a sizeable percentage, he said, was "bad."

CITIZENS OF COUNTY FURNISH CAKES FOR AGED AND ORPHANS

Masonic Lodge Sponsors Annual Affair To Provide Home Baked Cakes

SUPPLY EIGHT HOMES

Approximately 200 cakes and several cases of eggs will be taken to the various Masonic and church orphanages in the state by a delegation from Dougherty Lodge No. 65, F. & A. M. today. The cakes and eggs will be served to the residents of the institutions for dinner on Easter.

Several years ago the local Masonic lodge established the custom of furnishing cakes to the Masonic and church orphanages of Louisville and vicinity and the custom has been continued from year to year. The cakes are brought into a representative institution, with citizens from all over the county contributing large home-baked cakes.

The cakes will be taken on two trucks, and the delegation has decided to leave at an early hour Thursday morning.

The institutions to which the cakes will be taken are the Old Masons Home at Shelbyville, Shrine Hospital for Crippled Children at Lexington, Masonic Widows and Orphans Home at St. Matthews, Kentucky Children's Home at Louisville, Methodist Orphans
