

# A RECORD LAMB SALE

On Monday, July 17, we had the highest lamb sale held on any market this season. We sold our entire offerings at **\$8.36** per hundred and **\$6.23** Per Head. Over 700 Lambs brought \$9 and above, up to \$9.60 per hundred. Big lots of Lambs brought from \$7.50 to \$8 per head.

Consider our low selling charges and prompt and correct weighing; our courteous treatment and square deal to everybody.

**Top Lambs, \$9.60 SALES EVERY MONDAY Top Calves, \$5.85**

History repeats: With terminal markets all \$1.50 to \$2 lower, we sold Top Ewe and Wether Lambs on July 24 at \$8.30 to \$8.45 per hundred. Top Ewes and Bucks brought \$8 to \$8.25. Compare these prices with any other market and you will be convinced that Cynthiana has the most even and dependable market of them all. Patronize our market, that is organized to protect your business and your profits. Let's pull together.
