WHITE ROSE

White Rose Flour

The processing tax on White Rose Flour will be no more than on the cheapest grade of flour.

Under these circumstances the percentage of increase will be much less on the best grades and, quality considered, it will be economical to use the best—and that's White Rose, made of wheat grown in Nicholas and adjoining counties—where the best wheat grows.

There is no tax on wheat exchanged for flour and this is a big saving for the producer.

Indications are that Lebar will represent this district as its State Senator and that A. H. Barker, has been elected Commonwealth Attorney. At 2 o'clock Wednesday 11 precincts out of 29 had been counted in Harrison. In the eight precincts wholly in the city of Cynthiana Lebar received 802 votes, Hughes, 563 and Freibuck, 129. In the same precincts Rion received 644 votes and Barker 806. The opinion in Cynthiana Wednesday was that Barker would run better in the county than in town. Hughes carried Bourbon by a good majority, but Lebar is expected to pile up a considerable lead with his majorities in Harrison, Pendleton and Nicholas. Sims carried Robertson county by 678 votes and Nicholas by 64. However a message from Frankfort Wednesday gave Barker's majority on Pendleton as 800. With a majority conservatively estimated, Mr. Barker will doubtless have some 300 votes to spare at the end of the count. The Rose led in the race for Sheriff in Cynthiana, but was losing his lead in the three county precincts tabulated. Todd Skinner had a majority over Rose in Cynthiana in the Clerkett's race of some 200, but would run poorly in the county at large. Wednesday.

Farmers of Nicholas county will themselves handle much of the local administration of the Roosevelt farm program, to reduce wheat production and compensate growers for their cooperation. An organization of county farmers, and known as the Nicholas county wheat production control association, will help make the allotments to growers, check applications and statements, determine averages and allotments, see that the reductions in acreages are made, and finally certify all facts concerned in carrying out the plan in this county. The committee selected by County Agent H. B. Matson to help organize the work is composed of Ernest Piper, W. B. Knight, L. M. Caffin, M. C. Smith and Ben Berea. Also committee is helping County Agent H. B. Matson and field agents from the College of Agriculture to organize the campaign in this county so that every wheat grower will be fully acquainted with the government's plan to reduce wheat acreages and compensate growers who cooperate in the plan. County Agent Matson has obtained the names of growers and acreages of wheat produced by them in 1930, 1931 and 1932. Those who agree to cooperate with the government by reducing their acreages by not more than 20 per cent for the next two years will be paid for doing so. In this manner wheat production will be controlled and a parity price guaranteed those who cooperate in the campaign.

DEATHS

PATTON

Mrs. Nannie Letton Patton, widow of the late Attorney Thomas B. Patton died at the Massie Memorial hospital Wednesday morning.

Mrs. Patton was a native of Bourbon county, where she was born 78 years ago. She was a member of the Methodist church and filled the office of county and city attorney there. Mr. Patton was a brother of the late Ed D. Patton, and an uncle of County Clerk Pearce Patton, of Paris. Mr. Patton is survived by a son and daughter, Everett Patton, well known attorney and the popular Miss Maude Patton Myers, of Lexington, and Mrs. Fred Auxier, of this county. Funeral services were conducted at the grave in the Millersburg cemetery at 5 o'clock Sunday afternoon, with Rev. W. E. Ellis, pastor of the Paris Christian
