

Stung by indignation, the wrens of the world are protesting against the use of false fur in the manufacture of coats, suits, and other garments. The wrens are protesting against the use of false fur because it is a cruel and inhumane practice. They believe that the use of false fur is a violation of the laws of nature and that it is a crime against humanity. They are calling on all people to stop buying and wearing garments made of false fur. They are also calling on all people to support the wrens in their fight against the use of false fur.

Costs To Save \$90,000 In Traveling Expenses

Traveling expenses of \$90,000 are being saved by the use of a new method of accounting. This method is being used by the company and it is saving a great deal of money. The new method is being used by the company and it is saving a great deal of money. The new method is being used by the company and it is saving a great deal of money. The new method is being used by the company and it is saving a great deal of money.

Among The County Agents

Public school farmers are being helped by the county agents. The county agents are providing information and assistance to the farmers. They are helping the farmers to improve their crops and their yields. They are also helping the farmers to market their products and to get the best prices for them. The county agents are doing a great deal of good for the farmers and they are helping them to become more successful.

Narrow Escape

Mr. Oliver Thomsen-Danvers, Minn., was rescued from a burning building. He was trapped in the building and he was in danger of losing his life. He was rescued by the fire department and he is now safe. He is very grateful to the fire department for their help and for saving his life. He is also very grateful to the people who helped him during the fire.

Mr. DeBor

Mr. DeBor, a resident of Danvers, Minn., was rescued from a burning building. He was trapped in the building and he was in danger of losing his life. He was rescued by the fire department and he is now safe. He is very grateful to the fire department for their help and for saving his life. Don't Waste Your Bodily

ENERGY

By Straining Your Eyes

The following news item was telegraphed recently to daily papers all over the United States by one of the national press associations:

ATLANTIC CITY, N. J., Dec. 29—"Your whole body energy when your eyes are strained by trying to see in bad light," Dr. M. Luckless and Dr. Frank Moss, research scientists, reported today to the annual convention of the American Association for the Advancement of Science.

"Nervous muscular tension of a man reading a book," these doctors stated further, "increases or decreases in direct proportion to the amount of light falling on the book."

"Because eye strain is transmitted to the whole nervous system, the body energy under hand seeing conditions. An example is that an automobile driver grips the steering wheel harder than is necessary when he finds it difficult to see at night."

Save your precious mental and physical energy, as well as your eyes, by having proper lighting in your home—neither too much nor too little, and no glare. Our local manager will gladly advise you about proper lighting. Phone him today.

Henry County Finds

Profitable

Henry County, Ky., has found a profitable way to increase its revenue. The county has decided to sell its surplus land. This land has been sitting idle for many years and it is now being sold to the highest bidder. The county is very pleased with the results of this sale and it is confident that it will be able to raise more money in the future.
